TRAINING  
DIVISION

WEAPONS/TACTICAL TRAINING AND ARMORERS INSTRUCTION

## HK INTERNATIONAL TRAINING DIVISION

*Professional training could mean the difference between life and death. At Heckler & Koch, we are committed to providing thorough and comprehensive instruction of the highest standard. HK Weapons, Tactics and Armorers Training Courses are designed as intensive, hands-on classes for the military and law enforcement community. Selected classes are also open to the interested public.*

*Classes are held at HK operated facilities in Northern Virginia, located near Washington, D.C. Many of the courses are also scheduled at locations throughout the country. All HK training courses combine elements of practical instruction and theory for an innovative and valuable learning experience.*

*Students are not required to bring any weapons, but are advised to wear clothing suitable for indoor and outdoor range use. Ammunition can be purchased from HK stocks. Hotel accommodations, meals and transportation are the responsibility of the student.*

## Mobile Training

A fully-equipped Mobile Training Unit travels throughout the U.S. providing complete instruction on the HK weapons system. All courses in this brochure are available through the M.T.U.

If you have a special requirement or you want to combine a number of courses, the M.T.U. can customize training to meet your needs.

The Mobile Training Unit can only instruct at on-site locations with adequate range facilities. For more information on joining a scheduled mobile course or arranging on-site instruction, contact the HK Training Division.

## Registration

Once you have selected the course that you wish to attend, you may either phone the HK Training Division at 703-450-1900 or complete and mail the attached registration form.

## Firearms

The HK Training Division can supply all firearms and accessories for use during all classes. Please call the Training Division at least 1 week prior to your scheduled class to make these arrangements.

## Ammunition

Ammunition is not included in the cost of tuition. The student is responsible for providing his or her own ammunition. It is possible to purchase ammunition from HK. Please specify your ammunition needs when registering or by calling at least 1 week prior to your scheduled class.

**Note:** Reloaded and cast lead ammunition is not recommended for use with HK firearms and will not be allowed for use with the Training Division weapons. Please direct any questions regarding this issue to the Training Division.

## Payment

Payment may be made by check, money order or purchase order payable to Heckler & Koch, Inc. and sent to :

Heckler & Koch, Inc.  
International Training Division  
21480 Pacific Boulevard  
Sterling, VA 22170-8903

(Cash or credit payments will not be accepted)

We would appreciate your contribution of two (2) police/departments patches for the Training Division. This is not mandatory but would represent your department in the HK collection.

## Dress

Casual attire is recommended for all range and classroom instruction. Clothing suitable for adverse weather conditions is also advised for all range work. For all tactical classes, we ask that you bring the equipment that you would actually wear and carry in a situation. This will ensure a more realistic training experience. Eye and ear protection is mandatory for all weapons courses and are the responsibility of the student.

## Accommodations

In making your hotel accommodations, you may want to consider the following hotels:

The Hampton Inn  
45440 Holiday Drive  
Sterling, VA 22170  
703-471-8300

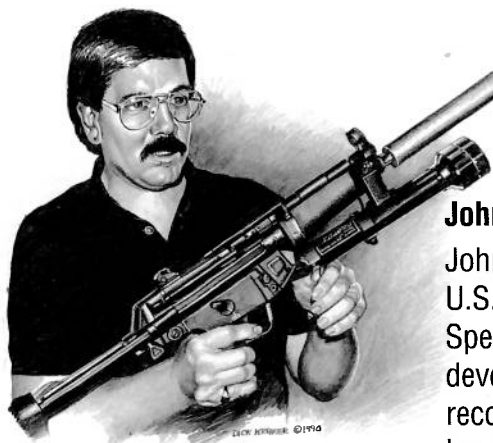

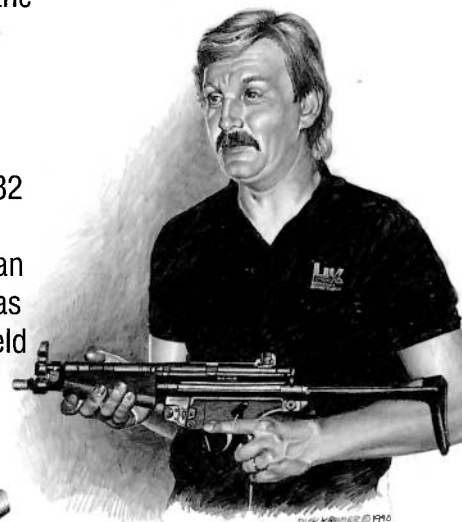

The Holiday Inn  
1000 Sully Road  
Sterling, VA 22170  
703-471-7411

Both hotels are located within five minutes from Washington/Dulles Airport. They are 25 minutes from Washington, D.C. via the Dulles Toll Road (Rt. 267). Both hotels are 5 minutes drive from H&K.

## HK TRAINING STAFF

### Phil Singleton

Phil Singleton served fourteen years in the British Army. During six years as a member of the 22nd Special Air Service (SAS) Regiment, Singleton served in Northern Ireland, Central America, the Middle East, Southeast Asia and the 1982 Falkland Islands Campaign. In 1980, he participated in the SAS raid on the Iranian Embassy in London. Before joining HK as Director of Training, he worked in the field of diplomatic protection.

### John T. Meyer, Jr.

John Meyer is a former Lieutenant in the U.S. Department of Defense Police. As a Special Reaction Team leader, he developed and directed a nationally recognized six-day SWAT seminar. Meyer has trained federal, military, state and local law enforcement agencies throughout the U.S. for special operations. He also serves on the board of directors of the International Association of Law Enforcement Firearms Instructors and the Tactical Response Association.

### Gary Gregory

Gary Gregory's professional experience spans more than two decades. He recently retired from the U.S. Marine Corps, completing his service as a chief instructor with the Marksmanship Training Unit. Throughout his military career, Gregory was extensively involved in weapons-related research and development efforts. His experience as an instructor and military armorer covers the full spectrum of modern infantry weapons.

## MP5 & 9mm RIFLE

Acknowledged to be among the world's finest submachine guns, the MP5 is the focus of this course. The HK 94 and the MP5 S.F. are rapidly becoming the weapons of choice....being added to law enforcement arsenals because of their versatility. This course emphasizes both modes of operation, single fire or full auto, of the MP5 family. We clearly demonstrate all modes of utilization and define the characteristics of these weapons whether for use by tactical teams as a primary entry weapon or general use by agencies for the vehicle.

- Breakdown & assembly
- Load, unload & stoppages
- Mounting, aiming & firing
- Reload drills
- Low light firing
- Static & moving turns
- Back up weapon
- Firing on the move
- Close quarter battle techniques
- Multiple targets
- Shoot, don't shoot targets
- Use of cover

**Tuition:** \$500.00  
**Duration:** 5 days  
**Ammo:** 1500 rds of 9mm

**Special Requirements:**  
Pistol & holster with 50 rds  
Eye & ear protection

## TACTICAL SMG

This course is directed to the tactical team member or personnel who are required to make house assaults and building searches. Addressed are the tactics and techniques required to make assaults utilizing small team concept building up to a large team multiple entry using the SMG. This course emphasizes dynamic clearing techniques that are utilized in high risk warrants and drug raids. Officers who attend should have prior experience on a tactical team and use of the SMG.

- Close quarter battle drills
- Shoot, don't shoot situations
- Multiple targets
- Low light firing
- Firing on the move
- Live fire room clearing
- Team assault techniques
- Use of distraction devices
- Active countermeasures
- Immediate threat concept
- Practical exercises

**Tuition:** \$500.00  
**Duration:** 5 days  
**Ammo:** 1,000 rds of 9mm

**Special Requirements:**  
Pistol & holster with 100 rds  
Tactical gear & body armor  
Eye & ear protection

## MP5 INSTRUCTORS COURSE\*

This 5 day intensive instructors course provides the instructor with all the techniques and drills required to your department's personnel with MP5 family of firearms. All students must pass a knowledge and proficiency exam prior to receiving an H&K certificate.

- Safety for range & classroom
- Responsibilities of the firearms instructor
- Methods of instruction
- Range & classroom presentation
- Program development
- Range exercise design
- All fundamentals of classroom range use with the MP5

Prerequisite - MP5 Course

**Tuition:** \$500.00  
**Duration:** 5 days  
**Ammo:** 1,000 rds of 9mm

**Special Requirements:**  
Pistol & holster with 50 rds  
Eye & ear protection

\*Instructor's certification is valid for a 3 year period

## MP5 INSTRUCTOR UPDATE

A firearms instructor must stay up to date on new methods of instruction and advanced shooting techniques. This course was designed for the MP5 Instructors to continue their education and remain current. Completion of this class will re-certify an MP5 Instructor for another 3 years. Subjects covered are current methods of:

- Utilization of video
- Range management
- Safety for tactical shooting houses
- Tactical course of fire
- Course development

**Tuition:** \$300.00  
**Duration:** 3 days  
**Ammo:** 300 rds

**Special Requirements:**  
Pistol & holster with 50 rds  
Eye & ear protection

## COMBAT SHOTGUN

The use of the shotgun by the tactical officer does not have to be limited to a back up role for attaining entry through locked doors, etc. Few teams understand the full potential of one of the most versatile and underestimated firearms as an effective contributor to the tactical team fire power.

- Load, unload, reload
- Function & maintenance
- Ammunition
- Patterning
- Methods of carry
- Multiple targets
- Moving targets
- Firing on the move
- Back-up firearms
- Low light techniques

**Tuition:** \$500.00  
**Duration:** 5 days  
**Ammo:** 300 rds Skeet  
500 rds 00 Buck  
50 rds Slug  
50 rds Pistol

**Special Requirements:**  
Shotgun (semi-auto or pump)  
Pistol & holster with 50 rds  
Eye & ear protection

## TACTICAL TEAM

This course is designed for tactical officers to work in a team environment and consists of over 80 hours of theoretical and practical application of all aspects of tactical training. Officers need not attend with a team but it is recommended when possible.

- Team planning & concepts
- Building search & room entry
- Slow & deliberate/dynamic clearing techniques
- Pistol, shotgun, rifle & submachine gun
- Multi weapon team stress courses
- Certification with use of distraction devices
- Active countermeasures familiarization
- Practical exercise for all tactics taught
- Chemical munitions familiarization
- Methods of forced entry

**Tuition:** \$750.00  
**Duration:** 7 days  
**Ammo:** 150 rds rifle  
(5.56 or 7.62)  
300 rds handgun  
300 rds 9mm  
50 rds 00 Buck  
50 rds Skeet  
10 rds Slug

**Special Requirements:**  
Full tactical equipment including body armor  
Shotgun, pistol, rifle & SMG  
Eye & ear protection

## COUNTER SNIPER

The law enforcement marksman is often called upon when all other means of negotiation has failed. It is the responsibility of this individual to act and react in an objective, professional manner under maximum pressure. This course touches on all the aspects of being the marksman within a team and emphasizes skills necessary in addition to accuracy.

- Safety and handling
- Principles of marksmanship
- Cover & concealment in urban & rural settings
- Observation exercises
- Team concept
- Ballistic effects
- The cold shot
- Intelligence gathering & observation

**Tuition:** \$500.00  
**Duration:** 5 days  
**Ammo:** 500 rds

### Special Requirements:

Tactical gear  
 Spotting scope  
 Binoculars  
 Sniper rifle  
 Eye & ear protection

## TACTICAL TEAM DEVELOPMENT

This course is designed for SWAT commanders, team leaders or anyone who has the responsibility of instructing or implementing a tactical team program. This program takes an in depth look at organization, training programs, training standards and conducting simulations/exercises. Outlined in this course are:

- Training vs equipment
- Range vs operations
- Dynamic vs slow deliberate
- Static to moving
- Active countermeasures/Gym vs street
- Verbalization vs grunt speak

**Tuition:** \$300.00  
**Duration:** 3 days

### Special Requirements:

Eye & ear protection  
 All other equipment will be supplied

## TACTICAL PISTOL

This course covers the role of the as either the primary or secondary firearm. Many law enforcement departments have adopted the semi-auto as their weapon. The increase in firepower and the easy, reliable operation make the semi-automatic pistol the choice of tactical teams. This course is specifically designed for tactical team officer and concentrates on close quarter battle techniques.

- Safety & handling
- Reload & stoppage drills
- Firing positions & barricades
- Drawing & firing techniques

DICK KRAMER © 1990

- Strong & weak hand firing
- Multiple targets
- Room search techniques
- Live fire room clearing
- Firing on the move
- Low light firing

**Tuition:** \$500.00

**Duration:** 5 days

**Ammo:** 800 rds

**Special Requirements:**

Pistol & holster & 3 magazines

Eye & ear protection

Tactical gear & body armor

## ARMORERS TRAINING

H&K Armorers courses are designed to provide each student with a practical understanding of the advanced features that make H&K weapons a unique weapons system. Students will gain hands-on experience with the MP5 Submachine Gun family, H&K Rifles, P7 Pistol family and the Benelli Shotgun. Topics covered include:

- Nomenclature
- Cycle of functioning
- Operator use
- Field stripping
- Preventive & corrective maintenance
- Care & cleaning
- Troubleshooting

**Tuition:** \$300.00

**Duration:** 5 days

Classes on other H&K weapons are available upon request. Resident classes are limited to 12 students. Mobile classes are specifically designed for law enforcement and military armorers and are not available to the general public. Prior to earning an H&K certificate the students must pass a challenging knowledge and proficiency exam. Armorers courses are also conducted as part of the Mobile Training Unit.
