

## B&T Rotex-II™ SMG/PDW suppressor, cal. 4.6mm x 30

### B&T Rotex-II™ SMG/PDW suppressor, cal. 4.6mm x 30

The MP7 suppressor was developed by B&T in close collaboration with Heckler and Koch especially for the high performance submachine gun MP7. It is the perfect choice for this weapon and successfully in service with countless MP7 users for many years.

Depending on intended use, a compact and a standard length version of the suppressor is available.
